Get Ready for the 2011 Legislative Session

Oregon’s 2011 legislative session will run from approximately January 10 through June 30, 2011. Some legislators have indicated their intent to end earlier than June 30th, however most see this as unlikely due to looming budgetary problems.

Governor Kitzhaber has declared “kids & jobs” to be his number one priority. We will likely see the Governor working diligently on protecting funding for kids and working towards economic/job development.

$3.5 Billion Deficit

On the other hand the Oregon Legislature will be dealing with a 3.5 billion dollar budget deficit. This budget deficit will likely require funding cuts including layoffs/furloughs of state employees.

Get Ready to make your Voice Heard!

Certified Addiction and Prevention professionals need to prepare for email, letter and phone call campaigns to their respective legislators reinforcing the importance of addictions treatment and prevention. Soon ACCBO will begin delivering data and statistics to certified addiction, gambling and prevention professionals to assist in letter writing.

Additionally, ACCBO may once again be producing automated email letters that will automatically look up your legislators and send them editable letters. These on-line preformatted letters will be announced through our legislative alert email system. Please do not mark legislative alerts from ACCBO as spam. This is a service ACCBO provides to you to assist in advocating for funding for the field. When counselors mark ACCBO’s bulk legislative alerts as “spam” it causes a suspension of ACCBO’s email accounts as a result of the Anti-Spam Act. If you don’t want emails regarding funding related to your employment simply click the button at the bottom of the email to be removed from the mailing list.

Thanks !!!
